

INT. APT - NIGHT

DACIANA comes home from work. She puts the keys down and carries her groceries to the kitchen. It is quiet.

DACIANA
Steven! Are you home?

She walks to the kitchen and turns on the light. She puts some bags on the counter. She notices some blood and follows it to reveal a note with a knife stuck in it.

DACIANA
(yelling)
AAAAAhhhh!!

She reads some of the note to herself. It is written in Romanian. She falls to the floor crying, note clinched in her hand. *She speaks Romanian.

DACIANA
*My precious baby. They took my
baby.

GARY rushes into the room. He is a large man wearing a cooking apron. He is slightly effeminate.

GARY
Daciana, what's going on? Are you
okay?

He runs over to Daciana.

DACIANA
They have my Steven, Gary. They
took my baby.

Gary is shocked and hugs her.

GARY
Oh my God. They found you. We
have to get you out of here
sweetie. They're going to come
back. Come on honey, lets go.

CHIP, Gary's partner pops his head in the room.

CHIP
Gary. Everything okay.

GARY
Get Princess and bring the car
around front.

Gary picks up Daciana.

CHIP

Is someone hurt? Shouldn't we...

GARY

Now Chip.

Chip is flustered at Gary's assertiveness and rushes out.
Gary walks to the door with Daciana sobbing as she walks.
